In 1986 Francisco & Victor Sahagun opened Taqueria Santa Rosa, In those days a Taqueria was a place that sold tacos, burritos and quesadillas only. The Sahagun Brothers concept wanted to introduce grandmas home cooking and her concept of fresh cooking. Her motto was "Make and serve from scratch". Adding grandmas personal touch to our Specialty menu like tacos al pastor, what some have called The best Taco al pastor outside Mexico City. Also adding some of our favorite home cooked meals like real Chile Rellenos and traditional seafood

Dishes. That's how Taqueria Santa Rosa's concept was born, "Fresh and made from Scratch" Now 5 restaurants and 15 years later, Taqueria Santa Rosa Prodlly presents: Don Pancho's Mexican food, with the flavors you have come to expect from Taqueria Santa Rosa over the years and personal service from the Sahagun Family we hope you enjoy your visit to Don Pancho's and experience the flavors of Mexico specially from Jalisco our Home State.
